

# Threading History into Existing Courses using AAHN's History Framework

## American Association for the History of Nursing Virtual Webinar

April 17, 2024 • 3:30 PM to 5:30 PM EST

**Presenters:** April Matthias PhD, RN, CNE; Beth Hundt PhD, APRN, NP-C, ACNS-BC; and Lydia Wytenbroek PhD, RN

**This webinar will utilize the AAHN history framework for meaningful integration of nursing history into curricula to identify relevant history content for existing courses. A 5-step approach for educators to incorporate history content into existing courses will be shared. A list of history topics for the participants' individual courses will be discussed. Assistance with writing SMART module/unit learning objectives and selecting assessments that align with the history framework and relevant history content will be provided.**
